DEPARTMENTAL CIRCULAR NO. 1024, SUPPLEMENT NO. 14

TO HEADS OF DEPARTMENTS AND INDEPENDENT ESTABLISHMENTS

SUBJECT: Federal Employees Health Benefits Program: Withdrawal of AF of L
Medical Service Plan of Philadelphia

The American Federation of Labor Medical Service Plan of Philadelphia (a group-practice comprehensive medical plan) has voluntarily withdrawn from participation in the Federal employees health benefits program. The action was taken because the organization has not been able to adapt its method of operations to participate in the health benefits program in time for the first contract period.

The Commission will not distribute brochures on this plan.
